Spray Dried Egg White Solids (Standard Albumen)

SPECIFICATION SHEET

PRODUCT NAME: Spray Dried Egg White Solids (Standard Albumen)

INGREDIENTS: Dried Egg Whites (Albumen)

STORAGE: Requires no refrigeration. Recommended use of this product is within 2 years of manufacture date. Store on pallets in a clean, dry environment, away from strong odors and extreme temperatures.

PROCEDURE: Dry blend with other ingredients whenever possible. No soaking necessary. To prevent the formation of lumps, add the powder to the water. Mix with gentle agitation.

ALLERGEN: Contains Egg

USES: Whites cakes, general cake usage, or in any formula where a high whip egg white is not essential, but where the binding and coagulative qualities of albumen are essential.

LIQUID CONVERSION: Use 7 parts of water to 1 part of egg white solids to equal 8 parts of liquid whites.
